

Dock Boxes - Model Type : DB-72

Outside Dimensions (in inches)

Model	Height	Length	Width	Depth
DB-72	N/A	72-1/4	24	24-3/4

Inside Dimensions (in inches)

Model	Height	Length	Width
DB-72	N/A	70	22-1/4

NOTES: Fiberglass cabinet for storing marine and fishing equipment. Durable construction, these marine equipment lockers will not rust or deteriorate like metal cabinets will. The marine equipment lockers will hold all brands of flotation devices. Large opening for easy entry and access, they offer excellent protection from the elements.

Dock Boxes - Model Type : DB Series

Outside Dimensions (in inches)

Model	Height	Length	Width	Depth
DB-2	N/A	37-1/2	25-1/2	24-3/4
DB-3	N/A	48-3/4	25-1/4	18-3/4
DB-4	N/A	48-3/4	36-1/2	25-1/4

Inside Dimensions (in inches)

Model	Height	Length	Width
DB-2	N/A	34-1/2	23
DB-3	N/A	46	22-1/2
DB-4	N/A	46	33-1/2

NOTES: The Thomas Products Inc., Dock Box series offers superior protection and design. This marine equipment cabinet is your solution to store all life saving and marine equipment. The durable fiberglass design gives you the best performance under environmental extremes and outlasts all other cabinet materials for boating conditions.

Dock Boxes - Model Type : DB-5R

Outside Dimensions (in inches)

Model	Height	Length	Width	Depth
DB-5R	N/A	35-1/2	51-1/8	31-1/2

Inside Dimensions (in inches)

Model	Height	Length	Width
DB-5R	N/A	34-1/4	50

NOTES: The DB-5R marine equipment locker is our newest model in our line boating and marine equipment cabinets. The rounded top discourages the storing of items atop the locker. A virtually air-tight enclosure, our fiberglass marine equipment lockers will withstand the demands of the environment while protecting the contents from the harsh elements.

Dock Boxes & Storage for Your Lifesaving Equipment

Thomas Products fiberglass dock boxes are designed to protect all types of dock-side equipment. Thomas Products fiberglass enclosures are manufactured with high-quality materials and designed to help shield life jackets, life rings, life preservers, flotation devices, and other life-saving equipment from exposure to harsh UV rays, chemicals, moisture, dust, salt air, insects, and temperature extremes.

Thomas Products fiberglass cabinets are manufactured under U.S. Patent No. 4,998,587 and are available in a variety of UV inhibiting colors as well as interiors designed to meet your specifications. The rugged and durable construction of Thomas Products fiberglass cabinets combine to produce a dependable and virtually air-tight enclosure that will last much longer than steel, wood, aluminum, or plastic cabinets. Thomas Products fiberglass Dock Boxes can be pier mounted, attached to bulkheads, or designed to be free-standing.
