SPARTAN SPX LED Zone 1 High Power Floodlight

Power and Performance

High lumen output up to 29,000 lumens and a range of beam patterns to effectively light up large open areas such as oil rigs.

Robust and Durable

Robust and durable construction from marine grade aluminium and with a wide operating temperature for even the most challenging conditions.

Retrofittable and Modular

Designed to directly replace traditional discharge light sources up to 400W SON. The modular design allows easy access to key components and the ability to mount the PSU remotely (contact Raytec for details).

Controllable

DALI 2.0 Dimmable as standard for precise and flexible control of lighting assets.

5 YEAR WARRANTY
